BOTH TEAMS READY FOR CRUCIAL GAME

FEATURE CONTEST OF THE FOOTBALL SEASON

VARSITY'S BACK DIVISION IS FASTER BUT INFERIOR IN KICKING AND CATCHING

Dominion Championship Practically Depends on To-day's Game as Other Leagues Can Hardly be Said to Clash with the Intercollegiate—Paisley will Probably Play

Can the sureness of the McGill team have shown their ability to backs and the deadly tackling of the wings overcome the speed of Maynard and the blue clad halves? Can the kicking of Billington and the trick plays of the Red and White team counterbalance Griffith's wily plays. These are the questions McGill men are asking to-day and they believe Jimmy Lee's stalwarts can and will provide an affirmative answer.

The McGill team will be at its greatest strength for the game this afternoon as all of the men who have been reported as injured, are quite well and ready for the fray. Paisley's hand has mended nicely and it is more than likely that he will be ready to put up the game of his life when the whistle blows.

A comparison of the back divisions shows that Varsity have the edge on McGill as far as speed is concerned, but that, the Red and White backs excel their Toronto rivals in catching and kicking. Maynard or Goner are far inferior to Billington as regards punts, drops and converts.

Bignall and Waterous at middle wing are superior to their covers, German and Taylor. Tooley Waterous has no equal as a middle wing anywhere in Canada.

Timmins and Matheson complete the finest line in the country, while Jimmy Lee, the captain of the team, who plays flying wing, is noted for

WATEROUS

PAISLEY

At quarter Campbell has just a shade the better of McEwen although as a field captain the latter has the better football head. Campbell is a little quicker in getting his plays started.

The two scrimmages are about equally matched although the Varsity men have the best of it as regards weight. On the line, however, McGill are admittedly superior as Laing and Lewis outclass their respective covers and Taylor and German are not in a class for brainy play with Waterous and Bignall.

It is doubtful if the Varsity line can stand against the crushing onslaughts of the McGill quadruple trick bucks. Once within striking distance of the touch line and the Red and White can go over. On the other hand Shaughnessy's men have already this year demonstrated their ability to hold down their opponents.

On a surface such as the ground in Lansdowne Park presents to-day the odds are in favor of McGill. The

the tiger-like spring and deadly sureness of his tackles. For Varsity Maynard, Cuzner and Campbell will probably be forced to do the bulk of the work. Maynard and Campbell need no introduction to readers of the Daily as they are the most famous pair of football players in Canada to-day.

No all-star team can be picked without including these two men. On the line the champions have nearly all of the men who played last year. Both Taylor and German however are not up to their form of last season.

Gage, the veteran flying wing of Griffiths aggregation is the best man on Varsity's line. He is heavy and fast and is always down under the kicks. His one fault is his inability to judge distance for his tackles.

Over one thousand people will go from Montreal to see the game and there is sure to be a bumper crowd at Lansdowne Park.

INTERCOLLEGIATE SPORT

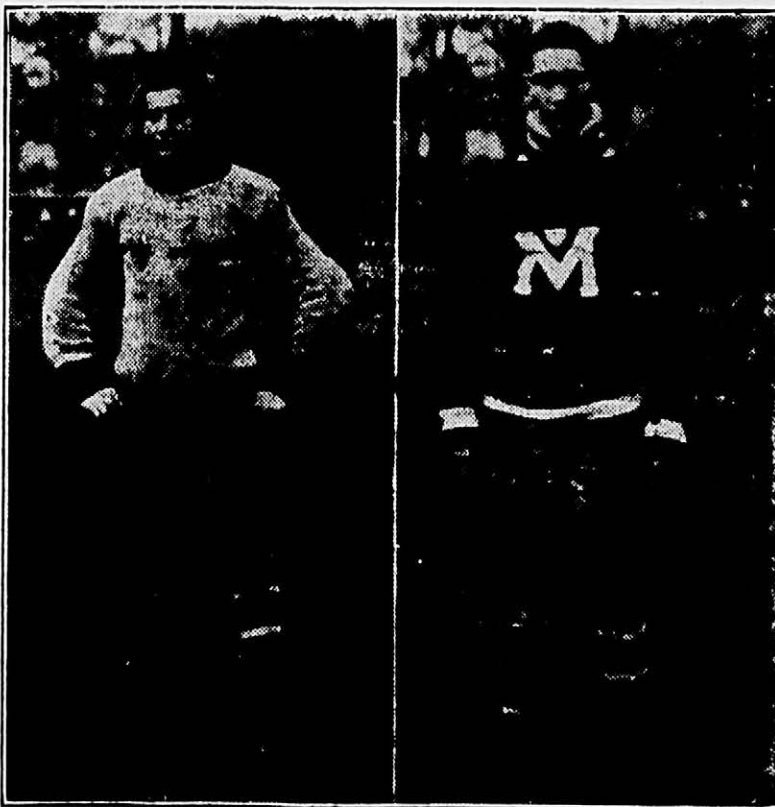

Sport, someone has said, is exercise of any kind into which the element of competition enters. This definition is of an all embracing nature, including both professional and amateur athletics, and it may be said to cover a much wider field than Intercollegiate Sport. What then, the fields of amateur athletic endeavour. Honourable,

Intercollegiate Sport stands for all that is highest in the fields of amateur athletic endeavour. Honourable, manly competition and fair play are the ideals it should and does inculcate. The ability to take a defeat without complaining and with a frank admission of the worth of the successful competitors; the exclusion of the slightest taint of professionalism or of unfair tactics; these things are the cause of the spirit which animates the contenders in Interscholastic meets and contests of skill.

The game today should prove a worthy illustration of this. Here are two teams which represent Universities that have been rivals for a number of years in all branches of College Athletics. The football rivalry this year has been keener than ever before. The Canadian championship practically hinges on the result of this game and yet, it is safe to say, that no spectator of this afternoon's contest will leave the stands without a feeling that he has seen a splendid exhibition of football and a striking example of what the spirit of true sport should be.

We have unbounded confidence in our own team and our coach. We never have had a better balanced or more skillful line, a surer or more capable back division. If we lose today we will take off our hats to Varsity and wish them every success in the coming contest for the Dominion honors, confident that the reputation of Intercollegiate sport for clean, manly fair-play will in no way suffer at their hands.

THE OUTSIDE WINGS

JACK LEWIS, Left Outside Wing, is an Ottawa Collegiate Institute man, he played quarter on their first team for one year and then went to R.M.C., where for two years he played for the intermediate intercollegiate champions two years ago. Jack is one of a pair of the finest outside wings playing football today. He weighs 160 pounds and is 21 years old.

GEORGE LAING, Right Outside Wing, the other one of that unsurpassable pair of outsiders. He comes from T.C.S. where he played quarter for the champions of The Little Big Four. His first year at McGill he played outside for the seconds, but last year as this he has played the star game for the Seniors at outside. George weighs 157 pounds and is 20 years old.

BIGNALL HELD LAWSON MAYNARD NOW VICTIM

The McGill Wing Rendered Lawson's Spectacular Play Ineffective Two Years Ago—Will he Duplicate the Trick on the Varsity Speed Artist?

Bignell has been deputed by Coach Sbaughnessy to look after the great Jack Maynard to-day. Hillary is one of the strongest tacklers on the team and is very sure. In the game against Varsity in Montreal this year he was a particular star and on numerous occasions brought loud applause from the crowd by his work. Bignell gathered in an on-side kick in this game that netted McGill a gain of some thirty-five yards. A few

MCGILL ROOTERS' CLUB SONGS

THE ROOTERS' SONGS SONGS
(To the tune of "Tammany.")
James McGill! James McGill!
Peacefully he slumbers there,
Blessful though we're on a 'tear,
James McGill, James McGill,
He's our father, well, yes, rather,
James McGill!

...
(To the tune of "Marching through Georgia.")
Now our team is on the field, ev'ry nerve and music steeled,
And determined that they'll win or die to-day
See those fellows sure and strong, ready all the line along
Varsity will have to break and fade away.

Chorus:—
Cheer, then, cheer for Old McGill, boys,
Raise your voices in a song
We must beat them on the play, for we're out to win today
And the team in red and white'll move along.

When the ball is put in play just you watch us break away,
And the team at once go marching down the field
Varsity will fight in vain, tho' they try with might and main
And their goal to us they'll surely have to yield.
Chorus:—
Cheer, then cheer, etc.

...
(To the tune of "What's The Matter With Fath'r.")
What's the matter with Jimmie, he's all right,
What's the matter with "Billy", he's all right,
Now all you fellows from Old McGill Cheer that team till their hearts do thrill
What's the matter with our team, They're all right.

...
(To the tune of "In Old New York.")
At Old McGill at Old McGill
The Campus crop is fine (SURE!)
They're always there
They're on the square
For scarlet and white are in line
We've seen the teams that come from Queens
Likewise from Varsity,
They're pretty fair,
But can't compare with M-C-G.

(To the tune of "When I get you Alone To-night.")
When we get Varsity to-day
do do do
We'll push that old ball over,
And over, and over
Oih! Oih! Oih! Oih!
Don't be afraid,
When we get Varsity to-day
do do do
We'll show them an improvement,
In the latest football movements
When we get Varsity to-day

...
(To the tune of "I Want to be Way Down in Dixie.")
You want to be, you want to be
You want to be in old McGill boys
Where the red and white are in the fight
Morning, afternoon and night
You want to see, you want to see
You want to see our team rip through them
You can tell the world that cup comes to
M-C-G—well we all know how to spell it
For we're going, you bet we're going
Yes we're going to win today.

...
(Tune Everybody's doing it)
Hear them yell for old McGill...RAH
Hear those fellows give the cheer,
That's the Rooters Band,
Up there in the stand.
Hear them yell for old McGill...RAH
Hon, Hon, Hon, Hon, Aint it fine,
See McGill gains all the time,
Buster, Laing and Lee,
The football trinity,
Moves that ball along.

Everybody's doin' it, doin' it, doin' it,
Everybody gains a bit, gains a bit,
Just you watch that couple over there
Whistle blows, then through the line they tear.
Poor old Varsity are in de...r,
Hear 'em swear, hear 'em wear, hear 'em swear...r,
Everybody's doin' it, doin' it, doin' it,
Everybody gains a bit, gains a bit,
See that line there bustin' apart,
Just as soon as ever we start
How that sight does touch my heart
E-E-Everybody gains a bit now.

JUNIOR DANCE NOTICE

The attention of all who have tickets for the Junior Dance, is again drawn to the statement made by the Committee, that the names of all ladies must be in before six o'clock on Monday night, in order that invitations may be sent out in time, and also, that all tickets must be paid for before that time or they will be cancelled.

This is very important, and to step in and sign the book is but the work of a minute, so if anybody is disappointed they need only blame themselves.

BIGNELL

HILARY BIGNELL, Left Inside Wing, played for three years as half on the Montreal High School senior team, and also for Westmount juniors and Montreal Intermediates while still at school. Hilary came to McGill four years ago and has ever been a hard tackler and strong wing man. He is 23 years old and weighs 155 pounds.

THREE STURDY BACKS

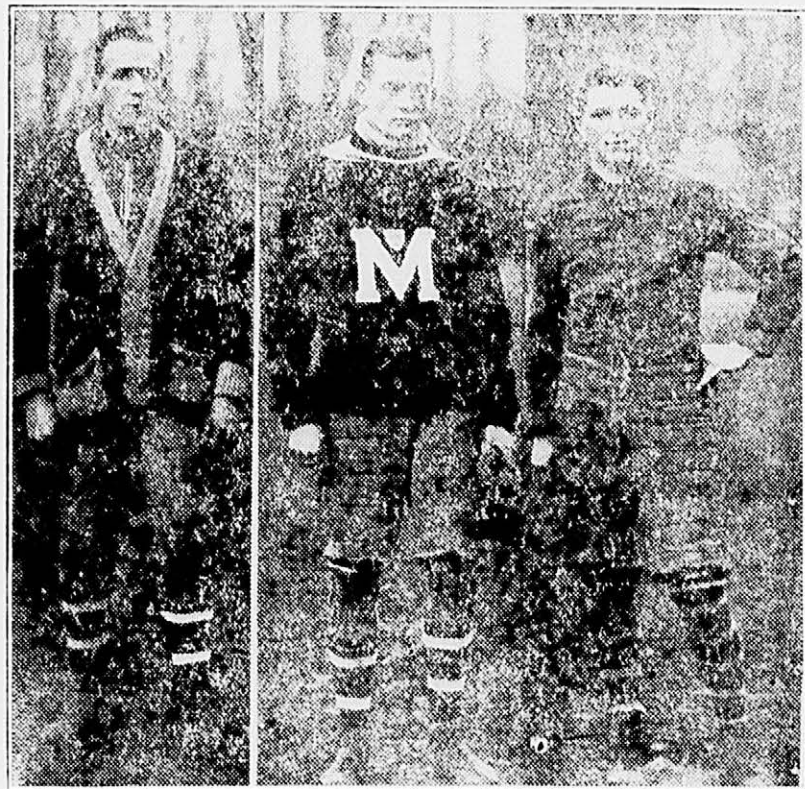

GEORGE DRAPER first played football at the Montreal High School where he was outside wing and centre half for three years on their championship teams. This is his first year to turn out and he has certainly shown that he is a football player and no slouch. George is kicking very well and he is a sure catch. He weighs 145 pounds and is 21 years old.

JAMES LEE, Captain, Flying Wing, comes from Quebec where he played for both the High School and City Senior Teams as left half. His first year at McGill he played right half. Owing to his work he was un-

able to turnout during his second year. Last season he played as he is doing this at flying wing. Jimmy is very fast and is the hardest tackler on the team. He is 24 years old and weighs 142 pounds.

HERB WOOLLATT played the American game for Winsor Collegiate Institute in the position of left tackle for three years. Last year he played two games for the Juniors. When he turned out this year he was not known at all, but soon showed himself to be a half of no mean order. Herb is the featherweight—weighing only 138 pounds, but is extremely fast. He is 19 years old.

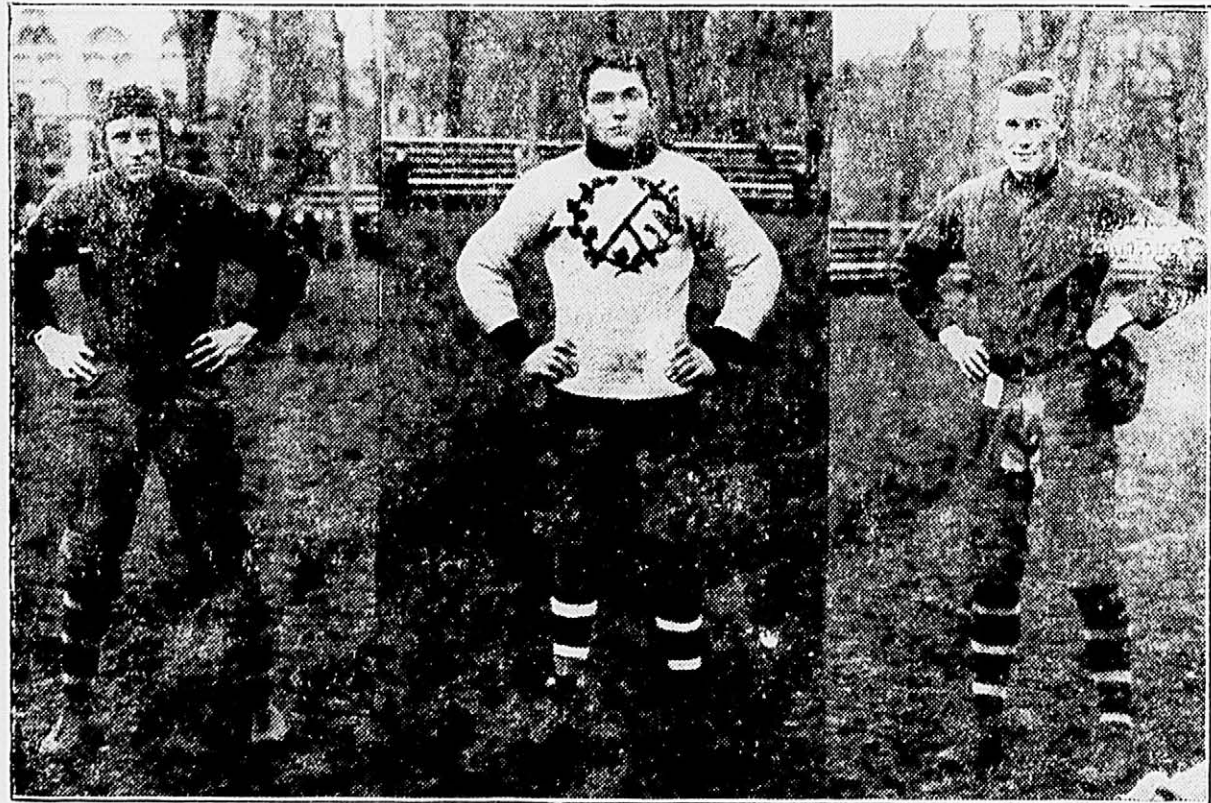

Walter Matheson, the big 'Spud' Islander, played with the Algeveit Rugby Club for three years as forward before he came here. Owing to his prowess at the English game, he turned out with the Seniors and for four years has held the position of left inside. Buster is the team heavy weight and—as the classics would say—is some line plunger. He weighs 292 pounds and is 23 years of age.

ST. C. McEVENUE, Quarter, first saw the pigskin at St. Michael's College where he captained the Senior Team which won the Junior Championship of Canada. He has played for McGill for three years as half

and quarter. Since, is heady and it would be hard to find a quicker man playing quarter to day. He is 22 years old and weighs 140 pounds.

ERIC BILLINGTON, Centre Half, is a native of Cheshire England. He has played on the McGill Senior team for the past two years and is famous for his ability as an allround kick. He is easily the greatest drop kick in Canada and is also one of the finest punters and convert kickers in the game. Before coming to this country he made a reputation for himself in the North of England as a three-quarter back at English Rugby.

DOUGLAS CRUIKSHANKS, Left Scrimmage, is a Hamilton man. He started his football career at Trinity College, Toronto, and for three years was on the Varsity Senior squad. Cruik is very fast, he holds the indoor mile record at Toronto Varsity. He is 24 years old and weighs 167 pounds.

LORNE MONTGOMERY, Centre Scrimmage, learned the game at St. Andrew's College, where he played for two years as centre scrimmage and quarter. This is Monty's first year but he has made good at centre scrim, being one of the surest tacklers on the team and getting down on the ball invariably with the outsiders

BUSTER REID, Right Scrimmage, first played football when he turned out with the second team last year playing inside wing. He broke into senior company with a big splash this year and he developed great tackling ability. Buster is 18 years old and weighs 165 pounds.

CORRESPONDENCE

To Editor of McGill Daily.
Dear Sir:—

May I here make a few suggestions about the annual Variety Entertainment.

With due respects to the former artists it is certain that the shows up to date have not represented the best that a University of McGill's reputation is capable of producing. This is largely due to the fact that the show is decided upon too soon before it is produced not leaving sufficient time either for the executive to hunt up the best talent or for the talent that is procured to rehearse properly. So if there is to be a variety Entertainment now is the time to organize it and eliminate the faults as far as possible.

There is undoubtedly plenty of material for an all-star performance for if the standard would warrant I feel assured that Dr. Perrin would assist and if his assistance were procured the success of the musical part of

the entertainment would be certain.

Mr. Kirby, as a cartoonist and quick sketch artist, is ranked among the professionals.

Mr. Goldbloom of your editorial board, would perhaps lead a skit of some kind that could only be successful with such a manager.

Then the Orelin and Hamer's Trio is capable of being a successful act.

And so on for many others it is evident the talent is available but the difficulty is to get some to start and undertake the management as the late manager having graduated.

It is for the Students' Council to decide whether there is to be a show. The rushes have gone, the faculty dinners are dry, the theatre night was abolished in respect to the generosity of the citizens, and now will the McGill Varsity Show pass away also. Not that it is any more important than the rest. But will it be the last straw.

Let us awake and develop every side of life. With apology for length.

Yours truly,

WM. H. LUDINGTON.
